EELHA Exhibits Horses and Livestock at Hallockville Fall Festival

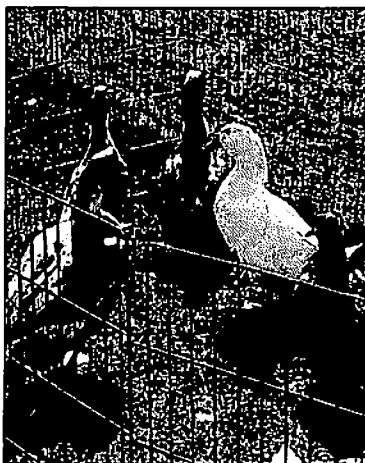

A rare fall thunder storm kept the horses and other animals at home on Saturday, October 3, but they were glad to be out making friends on Sunday, October 4. We had horses, miniature horses, ducks, a goose and a goat on display for festival goers to meet and greet.

Natural Horsemanship trainer Tim Hayes and his Quarter Horse, Austin, entertained the crowd with their demonstrations. Thanks to Tim for donating his time to the club.

Thanks also to club member Paul Davis for his work in organizing the club's participation in this year's Hallockville Fall Festival.

EELHA Trail Ride at Blydenburgh County Park

Twenty-five EELHA members and their equine companions enjoyed a trail ride at Blydenburgh County Park on Saturday, September 19. Club Vice President Angela Chewing organized the event and commented that everyone enjoyed "a perfect day of riding, sunning and eating a spread of food that was just plain delicious."

Maribeth breeds and raises these goats on her farm in Aquebogue.

Parade on the Fourth of July...

Twenty-five members of the EELHA and their equine partners dressed in their patriotic best and paraded for Independence Day on Saturday, July 4, in the village of Southold. The club thanks the Sutton Family once again for providing thirsty riders with cold lemonade and cookies after the parade.

Second Annual Family BBQ at Hallockville

EELHA members and friends sent the summer out in style at their Second Annual Family BBQ held at the Hallockville barn on Thursday, August 27. Close to 70 folks enjoyed burgers and hot dogs from the grill and tons of homemade specialties. Thanks to Bob and Lynn Barauskas and their niece, AnnMarie, along with Ken and Jane Carter for donating the clam bar.

North Fork Saddlery Opens in Mattituck

Do you long for that deep, rich smell of new leather? Is your horse's winter blanket just not going to make another season? Wouldn't a colorful new saddle pad really brighten up your day?

If so, you're in luck because Lisa and Lou Caracciolo have opened the North Fork Saddlery located at 50 Love Lane in Mattituck (in the "Octagon building" at the corner of Love Lane and Rt. 25). The new shop will be open on Tuesday by appointment, from 9:00a.m. to 8:00p.m. on Wednesday; Thursday through Saturday from 9:00a.m. to 5:00p.m. and from 9:00a.m. to 3:00p.m. on Sunday. You can telephone them at (631) 298-7610, fax to (631) 298-7611 or e-mail northforksaddlery@gmail.com. Their web site is under construction. Lisa and her daughter, Rebecca, will staff the store. Delivery service will be available

In a brief interview, Lisa told me she felt strongly that, "We need a tack shop out here." The store will stock English, Dressage and Western riding gear and apparel, focusing on courteous, personal service and accommodating customers. They have an extensive selection of horse health care products, blankets and, of course, horse treats. There are equestrian books and games for kids and fine leather goods and gift items for adults as well.

Lisa loved horses when she was growing up; she came from a large family and a big treat for the kids was trail riding at Hempstead Lake State Park. Her daughter, Rebecca, has been riding since she was five years old and currently competes in the Large Children's Hunter Pony division. Lisa said she's the quintessential "Horse Show Mom" and has plenty of expertise in selecting the correct riding apparel and has become a "grooming expert."

Some of the quality brands the store will offer include: Tailored Sportsman, Troxel, Baker, Stubben, Pessoa, Smokey Mountain and Old West Boots, Tuff Rider and Blu Horse.

Plan to make a trip to the North Fork Saddlery soon. There will be sales and specials each month. And, like Lisa said, "Just in time for Holiday shopping!"
